GREAT THINGS HAPPEN WHEN WE LIVE UNITED.

What does it mean to Live United? It starts with something simple: raising your hand, standing tall, and answering the call to help so many in need throughout our community.

2020 was a remarkable year as we watched COVID-19 literally change our world. We know that so many were affected by the pandemic, and we know that so many will continue to be affected for a very long time.

But we also watched something very special take place. We saw our community come together, ask what they can do to help, then raise their collective hands and stand tall.

We are so proud to say that all of us, working together, are showing everyone what it means to Live United.

Thank you to the thousands of incredible individuals, like you, who lifted our community during an extraordinarily challenging year. Thank you for your support of United Way of Greater Milwaukee & Waukesha County at the Leadership Level.

This registry provides us with the opportunity to publicly recognize the generosity of outstanding individuals like you, and we are honored to do so.

This 2020 Leadership Registry reflects donor information provided to United Way from January 1, 2020 to December 31, 2020. Some pledge information intended for the 2020 United Way Campaign is received in 2021 and those pledges will be recognized in the 2021 Leadership Registry. If you have questions or concerns about your recognition, please contact Lizzie Hoeppner at lhoepner@unitedwaygmwc.org.

United Way was built for times like this. We've been doing this work for over 100 years. We're connected to some amazing agencies, we can mobilize action quickly, and our donors have trusted us to invest their money in the right places. But we can't do our work without partners like you. And we are so grateful.

On behalf of United Way's Board of Directors, we would like to thank you again for your commitment to our community with your generous contribution to United Way.

Leadership Registry content update:

The 2020 Leadership Registry reflects donor information provided to United Way from January 1, 2020 to December 31, 2020. Some pledge information intended for the 2020 United Way Campaign is received in 2021. Those pledges will be recognized through the 2021 Leadership Registry to be printed in spring of 2022.

It's simple: change does not happen alone. Thank you for your support of United Way of Greater Milwaukee & Waukesha County.

We are so proud to once again publish this book of dedicated and generous individuals who are making a difference in our community. Your investment at the leadership level means that together, we are creating lasting change in all of our neighborhoods.

United Way fights...

...for a healthier community: 72,475 youth and adults had increased access to health care programs, health and wellness services, and safer and healthier communities.

...for young people to succeed in school: 93% of surveyed children who participated in United Way-funded early childhood education programs showed improvement in cognitive skills and 90% showed improvement in communication skills.

...for families to achieve financial stability: 37,433 adults and families benefited from programs that reduced barriers to employment and provided safe and stable homes.

Your investment is critical to the future success of our community. Thank you for joining the fight for change. Thank you for your generosity.

Thank you for Living United.

Sincerely,

TOCQUEVILLE SOCIETY

The Tocqueville Society was named after French philosopher Alexis de Tocqueville because of his admiration for the American spirit of volunteerism and philanthropy. Tocqueville Society members share this philosophy and provide a critical base of support for United Way. Members make a generous total contribution of \$10,000 or more and also commit at least \$6,000 of their total gift to United Way's Community Fund, enabling United Way to create needle moving change in the areas of health, education, and financial stability.

In 2020, Tocqueville Society members provided over \$20 million of total campaign support and welcomed nearly 80 new members. With over 680 returning members, Tocqueville Society membership has reached over 760 members with a remarkable 76 members who have contributed \$100,000 or more.

Mellowes Community Impact Challenge

United Way extends its gratitude to Linda T. and John A. Mellowes for generously sponsoring the Mellowes Community Impact Challenge since 2003. The challenge matches new and increased Tocqueville Society contributions to United Way's Community Fund, expanding United Way's capacity to create lasting change.

By giving to United Way's Community Fund, you ensure the best return on your charitable investment. It is the most efficient and most powerful way to invest in your community. Everyone deserves the opportunity to achieve a quality education that leads to a stable job, enough income to support a family through all of life's stages, good health, and a safe home.

Through United Way, donors are guaranteed returns on their charitable investments, because United Way oversees funded programs to ensure measurable results.

Thank you to Linda and John Mellowes, and to everyone who generously supports United Way's life-changing work.

TOCQUEVILLE CIRCLES

Tocqueville Society members who contribute \$10,000 or more to United Way's Community Fund are honored by membership in the Tocqueville Circles.

The circles recognize only the portion of the gift that is directed to United Way's Community Fund or its strategic investment areas and does not necessarily reflect the donors' total contribution level, which is acknowledged in the proceeding Tocqueville Society pages.

United Way is grateful to these contributors for their high level of commitment to addressing our community's most critical problems and for trusting United Way's strategic oversight of these investments.

United Way is grateful for the generous contributions of the Leadership Society, whose members contribute \$1,200 or more annually to United Way. Leadership Society members who give \$10,000 or more but are not Tocqueville Society members are “Builders”.

Each leadership-level gift has a significant impact on our community through United Way’s strategic investments in health, education, and financial stability – the building blocks to good quality of life. Together, we are taking action that has a real and lasting impact on our community.

United Way offers a special thank you to the Ralph Evinrude Foundation for providing the Leadership Match Challenge, which matched new and increased leadership-level contributions.

DIVERSITY LEADERSHIP SOCIETY

This group of individuals work to ensure all adults of working age in our community have the opportunity to obtain permanent employment where they earn a livable wage, at a workplace where they are treated with dignity, and have opportunities for advancement. Members contribute \$1,200 or more annually and voluntarily opt-in for membership.

In 2020, United Way elevated the Diversity Leadership Society’s (DLS) reducing barriers to employment & advancement initiative during the 2020 Community Campaign. They saw investments in reducing barriers to employment and interest in DLS membership increase at a time when there is a lot of uncertainty. The Diversity Leadership Society invested their time, talent, and treasure to ensure a successful men’s job seminar, in partnership with ManpowerGroup and United Way’s Boys & Men of Color portfolio. The event, Success Starts Here!, was held virtually and focused on equipping participants with necessary skills such as resume building and interviewing, and provided a myriad of resources aimed at reducing barriers to employment through their 30-60-90 Men’s Job Seminar Follow-up Workshops. Additionally, in June 2020 United Way’s Board of Directors approved grants to three local nonprofit agency programs fighting to reduce barriers to employment & advancement. Those agencies are: Employ Milwaukee, Inc., Metro GO, Inc – Regional Transit Leadership Council, and Milwaukee Community Business Collaborative, Inc – Milwaukee JobsWork.

EMERGING LEADERS

Emerging Leaders are leaders in their 20s, 30s, and 40s from diverse professional backgrounds. Their goal is to change the lives of area youth by giving, advocating, and volunteering in support of United Way's education initiatives. Members contribute \$1,200 or more annually and opt-in for membership. Emerging Leaders benefit from a strong sense of pride that comes from knowing that they make a difference in our community. Emerging Leaders organize the Emerging Readers program, which has put books into the hands of thousands of students since its inception. In 2021, they launched a grant program to promote anti-bias education and curriculum within schools located within the United Way footprint and will participate in the Kindergarten bridge program. The Kindergarten bridge program will help ensure area children and families have a successful transition from early childhood education to Kindergarten.

TECHNOLOGY UNITED

Technology United members create lasting change in our community through giving, advocating and volunteering. Technology United members contribute \$1,200 or more annually and voluntarily opt-in for membership.

Technology United hosts an annual CIO Forum for technology professionals and vendors to network and hear from CIOs on key industry trends and strategies. The 10th annual 2020 CIO Forum generated \$330,000 to support United Way. A very special thanks to our 2020 CIO Forum Platinum sponsor: SoftwareONE, Inc.

In 2020, Technology United helped launch Techquity, a new collective impact initiative working to bridge the digital divide in our community. Techquity connects stakeholders from business, governmental, educational, and social sectors to promote digital equity and inclusion. Technology United also enhanced its volunteer initiative, Tech for Good Marketplace (T4GMP). T4GMP matches nonprofits with technology needs to technology professionals who can fulfill them.

WOMEN UNITED

United Way of Greater Milwaukee & Waukesha County's Women United program is the largest in the world. This network of powerful women create change for women's empowerment and financial stability. Members contribute \$1,200 or more, or partner in a joint gift of \$2,400 or more. Since its founding in 2002, Women United members have raised over \$200 million to support United Way-funded programming.

In addition to the nationally-renowned Teen Pregnancy Prevention initiative, Women United has expanded its focus on supporting Financial Empowerment for Women. This year's Women United Bruncheon focused on how the pandemic disproportionately impacts women – particularly women of color – in multiple ways. According to the World Economic Forum, COVID-19 is the biggest setback to gender equality in a decade. Women United took that as a call to action to raise funds to support those who are at risk of eviction – an event women are more likely to experience. Women United's powerful network remains committed to fighting for women's empowerment and financial stability.

LEGACY SOCIETY

United Way's Legacy Society acknowledges those who have provided for the future of our community by making, or sharing their intent to make, an estate gift.

Through endowments, bequests, life insurance, charitable trusts, or retirement benefits, donors of all walks of life at all income levels can join the Legacy Society. United Way expresses deep gratitude to the following individuals, families, and foundations for their legacy gifts.

Make an investment in future generations through a legacy gift. For information, please contact Francesca Kempfer at fkempfer@unitedwaygmwc.org or 414.263.8321.

GREAT THINGS HAPPEN WHEN WE LIVE UNITED

Thank you to Baird and Foley & Lardner LLP for sponsoring the 2020 Leadership Registry. By underwriting this publication, these companies help United Way keep administrative costs low, ensuring that your contributions are invested in community problem solving.

United Way would like to thank all leadership contributors, including the individuals who wish to remain anonymous. The 2020 Leadership Registry reflects donor information provided to United Way from January 1, 2020 to December 31, 2020. Some pledge information intended for the 2020 United Way Campaign is received in 2021 and will be recognized through the 2021 Leadership Registry to be printed in spring of 2022. United Way makes every effort to ensure the accuracy of this registry.

Please contact Lizzie Hoepfner at lhoepfner@unitedwaygmwc.org or 414.236.8187 with comments, corrections, or questions.
