LEADERSHIP REGISTRY

FOR THE 2021 CALENDAR YEAR

GREAT THINGS HAPPEN WHEN WE LIVE UNITED.

When we read through the pages of this registry and see all the names and faces of those who supported United Way in 2021, we are struck with one amazing reflection: *this is what a caring community looks like.*

You donated, you volunteered, you advocated. You raised your hand. You answered the call. You delivered in 2021, and we are so grateful.

Our world looks a bit different today than it did two years ago. COVID-19 has left its footprint on the lives of so many in our community.

At the same time, you, along with thousands of people throughout Milwaukee, Waukesha, Ozaukee, and Washington counties, found ways to meet the challenges of the day and change the lives of individuals and families right here in our neighborhoods.

Whether we are helping a family facing an eviction stay in their home or finding ways to break down barriers and assist individuals in finding a good job or creating a learning environment that allows students to reach their full potential, the work we are doing today will have a lasting influence for years to come.

That's what it means to Live United. Thank you for your support of United Way of Greater Milwaukee & Waukesha County at the leadership level.

This Leadership Registry provides us the opportunity to recognize the generosity of outstanding individuals like you, and we are honored to do so. This registry reflects donor information provided to United Way from January 1, 2021, to December 31, 2021. Some pledge information intended for the 2021 United Way Campaign is received in 2022 and those pledges will be recognized in the 2022 Leadership Registry. If you have questions or concerns about your recognition, please contact Francesca Kempfer at fkempfer@unitedwaygmwc.org or 414-263-8321.

At United Way, we know our community is always evolving and we must do the same. Our mission is to be champions of change and find ways to help people live their best lives. We cannot do our work without partners like you.

On behalf of United Way's Board of Directors, we would like to thank you again for your commitment to our community with your generous contribution to United Way.

**When you give to United Way, you're not just making a donation;
you're changing a life.**

Leadership Registry content update:

The 2021 Leadership Registry reflects donor information provided to United Way from January 1, 2021 to December 31, 2021. Some pledge information intended for the 2021 United Way Campaign is received in 2022. Those pledges will be recognized through the 2022 Leadership Registry to be printed in spring of 2023.

If you have questions or concerns about your recognition, please contact Francesca Kempfer at fkempfer@unitedwaygmwc.org or 414-263-8321

We've heard it said so often, but it is worth repeating: **change does not happen alone**. You are joining thousands of people throughout our community in creating lasting change for so many. Thank you for your support of United Way of Greater Milwaukee & Waukesha County.

We are proud to once again publish this registry of dedicated and generous individuals who are making a difference in our community. Your investment at the leadership level means that together, we are working toward a future in which everyone has the opportunity and access to thrive.

United Way believes that families should have a safe and stable home. In 2021, 1,130 parents accessed services such as rent assistance, rapid rehousing, and legal representation in eviction court, and 53,109 individuals used the Rental Housing Resource Center.

United Way believes in literacy. Since 2015, the My Very Own Library and Build My Bookshelf programs have invested more than \$2 million combined to give more than 400,000 books to students in the region. In addition, United Way's purchase of these books has generated more than \$1 million in Scholastic Dollars that the 18 participating schools can use to buy even more learning materials and technology.

United Way believes in creating safe spaces for people experiencing intimate partner violence. Since 2009, an average of 9,500 people have been served per year in intimate partner violence prevention programs with 94% gaining knowledge about safety planning and their rights and options in the legal system.

United Way believes in technology access for all. Since 2020, United Way's Techquity initiative has invested over \$310,000 into digital equity and access work throughout Milwaukee, Waukesha, Ozaukee, and Washington counties. Techquity has managed distribution of thousands of computers, tablets, and smartphones to those without digital device access, including over 400 computers to students, adults, and older adults in need of a device for telehealth, work, and school.

Together, we can continue to improve the health, education, and financial stability of our entire community.

Thank you for your generosity. And thank you for Living United.

Sincerely,

TOCQUEVILLE SOCIETY

The Tocqueville Society was named after French philosopher Alexis de Tocqueville because of his admiration for the American spirit of volunteerism and philanthropy. Tocqueville Society members share this philosophy and provide a critical base of support for United Way. Members make a generous total contribution of \$10,000 or more and also commit at least \$6,000 of their total gift to United Way's Community Fund, enabling United Way to create needle-moving change in the areas of health, education, and financial stability.

In 2021, Tocqueville Society members provided over \$20 million of total campaign support and welcomed nearly 80 new members. With over 680 returning members, Tocqueville Society membership has reached over 760 members with a remarkable 76 members who have contributed \$100,000 or more.

Million Dollar Roundtable

One million dollars of cumulative charitable giving is a remarkable milestone that demonstrates extraordinary passion for and commitment to our community.

United Way is deeply grateful to the 2021 contributors below who have achieved this outstanding milestone. Their loyal and generous support has created long-lasting change by addressing our community's most serious problems.

Mellowes Community Impact Challenge

United Way extends its gratitude to Linda T. and John A. Mellowes for generously sponsoring the Mellowes Community Impact Challenge since 2003. The challenge matches new and increased Tocqueville Society contributions to United Way's Community Fund, expanding United Way's capacity to create lasting change.

By giving to United Way's Community Fund, you ensure the best return on your charitable investment. It is the most efficient and most powerful way to invest in your community. Everyone deserves the opportunity to achieve a quality education that leads to a stable job, enough income to support a family through all of life's stages, good health, and a safe home.

Through United Way, donors are guaranteed returns on their charitable investments, because United Way oversees funded programs to ensure measurable results.

Thank you to Linda and John Mellowes, and to everyone who generously supports United Way's life-changing work.

TOCQUEVILLE CIRCLES

Tocqueville Society members who contribute \$10,000 or more to United Way's Community Fund are honored by membership in the Tocqueville Circles.

The circles recognize only the portion of the gift that is directed to United Way's Community Fund or its strategic investment areas and does not necessarily reflect the donors' total contribution level, which is acknowledged in the Tocqueville Society pages.

United Way is grateful to these contributors for their high level of commitment to addressing our community's most critical problems and for trusting United Way's strategic oversight of these investments.

LEADERSHIP SOCIETY

United Way is grateful for the generous contributions of the Leadership Society, whose members contribute \$1,200 or more annually to United Way. Leadership Society members who give \$10,000 or more but are not Tocqueville Society members are "Builders."

Each leadership-level gift has a significant impact on our community through United Way's strategic investments in health, education, and financial stability – the building blocks to good quality of life. Together, we are taking action that has a real and lasting impact on our community.

United Way offers a special thank you to the **Ralph Evinrude Foundation** for providing the Leadership Match Challenge, which matched new and increased leadership-level contributions.

DIVERSITY LEADERSHIP SOCIETY *

United Way's Diversity Leadership Society supports programs and initiatives that ensure all adults of working age in our community can obtain permanent employment where they earn a livable wage at a workplace where they are treated with dignity and have opportunities for advancement. Members contribute \$1,200 or more annually and opt in for membership.

In 2021 the Diversity Leadership Society's (DLS) Reducing Barriers to Employment & Advancement initiative was elevated as part of United Way's fundraising campaign. DLS saw growth in investments to reducing barriers to employment and interest in membership remain steady during a time of uncertainty. In addition, DLS members invested their time, talent, and treasure to ensure a successful "Success Starts Here! Men's Job Seminar," in partnership with ManpowerGroup, Goodwill Industries, and United Way's Boys & Men of Color portfolio. Moderated by Milwaukee County Executive David C. Crowley, attendees heard from a panel of local employers and community leaders about what has changed in their recruitment strategies, work culture, and workplace practices since the onset of COVID-19. In other event news, Milwaukee radio station V100.7 hosted a Divine Nine & HBCU Tailgate Celebration and Brewers game, in partnership with Dr. Joan Prince, DLS, and the Brewers Community Foundation. This event was held to support the Reducing Barriers to Employment & Advancement initiative.

In June, 2021, United Way's Board of Directors approved grants to four local nonprofit agency programs working to reduce barriers to employment and advancement. Those agencies are Independence First; Literacy Services of Wisconsin, Inc; The Mindful Group; and Wisconsin Regional Training Program (WRTP | BIG STEP).

EMERGING LEADERS

Emerging Leaders are leaders in their 20s, 30s, and 40s from diverse professional backgrounds. Their goal is to change the lives of area youth by giving, advocating, and volunteering in support of United Way's education initiatives. Members contribute \$1,200 or more annually and opt in for membership. Emerging Leaders organize the Emerging Readers program, which has put thousands of books into the hands of students since its inception ten years ago. In 2021, they launched a grant program to promote anti-bias education and curriculum within schools located within the United Way footprint. Emerging Leaders are also excited to participate in the kindergarten bridge program, which will help ensure area children and families have a successful transition from early childhood education to kindergarten.

PRIDE UNITED

Launched in 2021, Pride United is a network of LGBTQ+ leaders, allies, and advocates committed to addressing key issues that disproportionately affect members of the LGBTQ+ community. Pride United members give, advocate, and volunteer around issues areas that will drive measurable change for the Queer community in our four-county footprint.

In its first year, Pride United elevated the Pride United Equity Fund, which supports local programs that have a direct impact on the LGBTQ+ community. Through this fund, Pride United members raised over \$300,000 for our community.

The goal of Pride United is to inspire, educate, and advocate for a future without discrimination.

Technology United members contribute \$1,200 or more annually and voluntarily opt in for membership. Technology United hosts an annual CIO Forum for technology professionals and vendors to network and hear from CIOs on key industry trends and strategies. The eleventh annual CIO Forum generated \$440,000 to support United Way. A special thank you to our 2021 CIO Forum Platinum sponsors James Imaging, Veritas Technologies, and Zscaler. In 2020, Technology United helped launch Techquity, a collective impact initiative working to bridge the digital divide in our community. Techquity connects stakeholders from business, governmental, educational, and social sectors to promote digital equity and inclusion. Technology United also enhanced its volunteer initiative, Tech for Good Marketplace (T4GMP). T4GMP matches nonprofits with technology needs to technology professionals who can fulfill them.

WOMEN UNITED

United Way of Greater Milwaukee & Waukesha County's Women United program is the largest in the world. This network of powerful women creates change for women's empowerment and financial stability. Members contribute \$1,200 or more individually or partner in a joint gift of \$2,400 or more. Since its founding in 2002, Women United members have raised over \$220 million to support United Way-funded programming.

Building on the success of the renowned Teen Pregnancy Prevention initiative, Women United has expanded its focus on advocacy for women and girls. The 2021 Women United Brunch focused on the human trafficking epidemic in Wisconsin, which ranks in the top five states for human trafficking. The network asked donors and volunteers to advocate for the bipartisan Safe Harbor Bill, which would recognize minors as victims in need of support. Women United's powerful network remains committed to fighting for women's empowerment and financial stability.

LEGACY SOCIETY

United Way's Legacy Society acknowledges those who have provided for the future of our community by making, or sharing their intent to make, an estate gift.

Through endowments, bequests, life insurance, charitable trusts, or retirement benefits, donors of all walks of life at all income levels can join the Legacy Society. United Way expresses deep gratitude to the following individuals, families, and foundations for their legacy gifts.

Make an investment in future generations through a legacy gift. For information, please contact Francesca Kempfer at: fkempfer@unitedwaygmwc.org or 414-263-8321.

GREAT THINGS HAPPEN WHEN WE LIVE UNITED

Thank you to Baird and Foley & Lardner LLP
for sponsoring the 2021 Leadership Registry.
By underwriting this publication, these companies
help United Way keep administrative costs low,
ensuring that your contributions are invested
in community problem solving.

United Way would like to thank all leadership contributors, including the individuals who wish to remain anonymous. The 2021 Leadership Registry reflects donor information provided to United Way from January 1, 2021 to December 31, 2021. Some pledge information intended for the 2021 United Way Campaign is received in 2022 and will be recognized through the 2022 Leadership Registry to be printed in spring of 2023. United Way makes every effort to ensure the accuracy of this registry.

Please contact Francesca Kempfer at fkempfer@unitedwaygmwc.org or 414-263-8321 with comments, corrections, or questions.
