The Affordable Connectivity Program (ACP) allows low-income consumers and eligible households to obtain discounted Internet access. This program is designed to ensure that people have access to the digital world, promoting education, work, and social interactions.

**ACP Eligibility:**
- Monthly income at or below 135% of the Federal Poverty Guidelines
- Participation in SNAP, Medicaid, Federal Public Housing Assistance, Supplemental Security Income (SSI), or Pell Grant
- Participation in other programs like WIC, Veterans Pension Survivor Benefits, Lifeline, or Table 1

**Steps to Apply:**
1. Visit AffordableConnectivity.gov or call 877-384-2575
2. Fill out the application form
