

**UNITED WE WIN.**

**You're not just making a donation. You're changing a life.**

Every day, somewhere in our community, someone needs our help.

It may be a family on the verge of eviction, struggling to stay in their home. It may be that person fighting to break down the barriers to obtain a good job, one that treats them with dignity and respect. It may be a student falling behind in the classroom, longing for support to help them stay on track with their studies. Or it may be someone living in fear, trapped in the cycle of violence, or battling an addiction that has consumed their life.

For so many in our community, the challenges they are facing are more than they can manage.

Since 1909, United Way of Greater Milwaukee & Waukesha County has had one simple mission: help people live better lives.

Every day, thousands of people right here in our neighborhoods are getting the support they need because of donations to United Way.

Santana first visited United Way partner **Community Smiles Dental** when she was twelve. Now a mom of four, Santana brings the whole family to Community Smiles.

United Way Reducing Barriers to Employment partner **JobsWork MKE** helped Henry discover his passion and build a career he can be proud of.

United Way partner **Girl Scouts of Wisconsin Southeast** helped Clare built the confidence she needed to pursue her dreams.

## COMMUNITY FUND

United Way connects those in need to those who can help. The Community Fund is at the heart of our work.

**You + Local Nonprofit Partners = United Community**

Here's why:

**You.** When you give to the Community Fund, your donation is combined with thousands of other donors, funding over 200 programs that have a direct impact on the health, education, and financial stability of so many in our neighborhoods.

**Local Nonprofit Partners.** United Way knows the nonprofit agencies who are doing the hard work every single day, offering support to those who may be struggling. Your donation directly supports this work.

**United Community.** The solutions we create together go beyond short-term fixes. We are creating lasting change.

## CHANGE DOESN'T HAPPEN ALONE.

Join our movement as we improve the health, education, and financial stability—the building blocks of opportunity—for everyone in our community.

### Together, we are...

- **Helping families stay in their homes.** In 2021, over 1,100 parents accessed services such as rent assistance, rapid rehousing, and legal representation in eviction court, and over 53,000 individuals used the Rental Housing Resource Center.
- **Helping students embrace the power of reading.** Since 2015, United Way book fairs have invested more than \$2 million combined to give more than 400,000 books to students in the region. In addition, United Way's purchase of these books has generated more than \$1 million in Scholastic Dollars that the 18 participating schools have been able to use to buy even more learning materials and technology.
- **Helping those experiencing intimate partner violence discover safe spaces.** Since 2009, over 9,500 people have been served per year in intimate partner violence prevention programs, with 94% gaining knowledge about safety planning and their rights and options in the legal system.
- **Helping our community access technology.** Since 2020, United Way's Techquity initiative has invested over \$310,000 into digital equity and has managed distribution of thousands of computers, tablets, and smartphones to those without digital device access.
