THE BEST WAY TO GIVE

Every day, thousands of people right here in our neighborhoods are getting the support they need because of donations to United Way. The Community Fund is at the heart of our work.

You + Local Nonprofit Partners = United Community

Here's why:

You. When you give to the Community Fund, your donation is combined with thousands of other donors, funding over 220 programs that have a direct impact on the health, education, and financial stability of so many in our neighborhoods, with a strong and consistent focus on racial equity.

Local Nonprofit Partners. United Way knows the nonprofit agencies who are doing the hard work every single day, offering support to those who may be struggling. Your donation directly supports this work.

United Community. The solutions we create together go beyond short-term fixes. We are creating lasting change.
